

### **Nantucket's White Elephant to Host the Nantucket Project, September 24-27, 2015**

The fifth annual Nantucket Project will take place at the White Elephant hotel on Nantucket Island September 24-27. The “ideas conference” brings together a select group of accomplished visionaries, and innovators across different fields. Steve Wozniak, co-founder of Apple, will be one of 15 speakers who will engage attendees with important ideas through exclusive conversations, forums, and performances.

The White Elephant, the official host hotel, serves as the ideal base for the Nantucket Project. The program takes place on the lawn, offering views of the Nantucket Harbor to inspire creativity and imagination. Recipient of *Conde Nast Traveler's* “Readers’ Choice” and *Travel + Leisure's* “World’s Best Hotel” awards, the White Elephant is known for its waterfront location, steak and seafood at Brant Point Grill, and personalized service.

The full lineup of speakers will be released in September. Tickets to the Nantucket Project start at \$2,750 per person. To purchase tickets or for more information, visit, [www.nantucketproject.com](http://www.nantucketproject.com).

Rates at the White Elephant start at \$485 per night. To book a stay or for more information, visit [www.whiteelephanthotel.com](http://www.whiteelephanthotel.com) or call 800.475.2637.
