

Summer Deals on Nantucket

Book five consecutive nights July 6-24 and save 30% at the White Elephant Village, The Wauwinet, and Jared Coffin House. Rates start at \$2,500 for five nights at the White Elephant Village and The Wauwinet, while rates at Jared Coffin House start at \$1,180 for five nights.

The White Elephant Village is located three blocks from town and comprises the new Inn and the one-, two-, and three-bedroom Residences. Families will love Children’s Beach right across the street, and adults can use the hotel’s complimentary bikes for rides to other nearby beaches, like Steps and Jetties. Guests who book any of the three-bedroom Residences will receive the keys to their own BMW X5 Sport Activity Vehicle for complimentary use during their stay. The Village is one of the few resorts on Nantucket that offers a private heated swimming pool and cabanas.

Situated between the Nantucket Bay and the Atlantic Ocean, The Wauwinet offers unparalleled views and private beach access to both the bay and ocean. It is home to TOPPER’S, The Wauwinet’s award-winning restaurant, which was recently voted Massachusetts’s #1 rated restaurant in the 2014 Zagat survey. The Wauwinet is also the only Relais & Chateaux property on the island.

Jared Coffin House, formerly the home of one of New England’s most successful whaling ship owners, is ideally located in the heart of downtown Nantucket. The historic property consists of two buildings, the Main building and the Daniel Webster, and allows for easy access to some of the island’s best shopping, museums, boutiques, and galleries.
