Nantucket's White Elephant to Host The Nantucket Project, September 23-25, 2016

The sixth annual Nantucket Project will take place at White Elephant Hotel on Nantucket Island, September 23-25. The “ideas conference” brings together a select group of accomplished visionaries and innovators across different fields. Deepak Chopra, Billy Corgan, Krista Tippet, and Christy Turlington Burns are just a handful of the 36 presenters who will engage attendees through exclusive conversations, forums and performances.

White Elephant, the official host hotel, serves as the ideal base for The Nantucket Project. The program takes place on the lawn, offering stunning views of Nantucket Harbor to inspire creativity and imagination. Recipient of *Condé Nast Traveler's* “Readers’ Choice” and *Travel + Leisure's* “Worlds Best Hotel” awards, White Elephant is known for its waterfront location and personalized service.
