White Elephant, Nantucket

Nantucket is a chic yet laid-back island filled with historic charm and pristine beaches. The gracious White Elephant perfectly encapsulates the spirit of the place, with coastal-inspired decor, chaises on the lawn for lounging, and the popular Brant Point Grill serving steak and seafood against a picturesque harbour backdrop.

Amangiri

This is quite possibly one of the most beautifully designed resorts we've ever seen. And set against the rugged Utah landscape, the modernist architecture is all the more stunning. But the beauty here isn't just on the surface - everything, from the wonderful pool to the signature in-room toiletries, is made to delight.
